## Who are the IrishNinjas?

IrishNinjas is a small group progressive minded and creative web developers with a collective background in user interface development, application development, logo and graphic design, and social media marketing. What makes us different from most development teams is our unique ability to share ideas with one another and provide quick solutions to common problems while focusing more time on the look and feel of our projects. We hope that you find us to be a very friendly and knowledgeable group of geeks ready to get the job done.

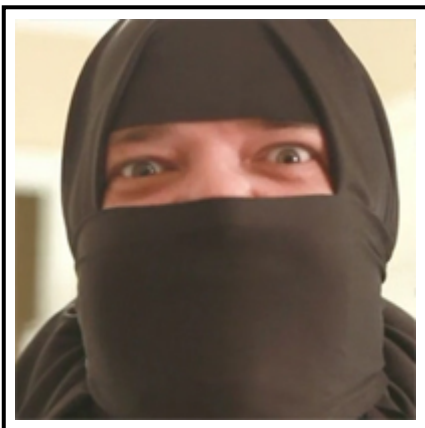

### Lee Quessenberry

Lee Quessenberry is the original founder of IrishNinjas and is instrumental in Northeast Arkansas' development and geek culture.
